**RE: Thank you!!**

On behalf of the Brookfield Junior Woman's Club, I want to express our sincere thank you for offering to sponsor a Gourmet Coffee Machine for our club meeting in Civic Center Plaza in September, Brookfield's Fall Festival & Big Chili Roundup at Mitchell Park in October, and for Brookfield's Holiday Open House and Community Gingerbread Contest at the Sharon Lynne Wilson Center for the Arts in December.

Everyone who had the opportunity to experience the machine raved about how delicious everything was! The machine itself is so easy to take care of and refill as needed. We've never seen anything else like it! It was great to find out how many different options are available for renting/leasing a machine. It would seem as though you have an option that would meet almost any need in a community, business and/or school setting. Most importantly, you and your staff have all been so wonderful to work with!

We would not be able to sponsor the events we do without the support of our local business partners. Thank you for your support of our club and the community as a whole.
