Dear Howard,

I wanted to take a minute to thank you for shipping the Aroma 4000 machine to Houston for us. The beverages are a big hit with our congregants. We are very happy with the espresso bar. It is easy to use, and the drinks are delicious. We will be opening our café soon, and I expect it will be a huge success.

Kevin is very nice and I am confident that he will do well in the Houston market with the Aroma machines. We are excited to spread the word about EspressoEtc. Please feel free to contact me if you would like more details on how we use the Aroma, and the benefits we've received from it.

Sincerely,

Wendy Kingland
