EACH CHILD IS AN INDIVIDUAL OF GREAT WORTH

January 24, 2007

To Whom It May Concern:

We are very delighted to have an Aroma 4000 coffee machine for our staff and visitors to enjoy. The ease of maintenance and great variety makes it a great benefit to all of us. The quality surpasses our expectation for a vending machine set up and it sure beats the coffee club arrangement. For this reason I emailed all 44 schools in our Chula Vista Elementary School District to share the good news. Several have started with the program and continually give me great feedback on how their staff and visitors enjoy the program. Jeff has been so attentive to getting us starting and on our way and we thank him very much.

Sincerely,

Nancy Ramos
