

March 15, 2007

To Whom It May Concern:

We had a wonderful "Customer Appreciation Week" planned at the Child Care the week of March 12-16, 2007. Two of morning events included a continental breakfast as well as coffee and gourmet beverages courtesy of Christine Gorgas of Espresso-Etc.

Christine set up her station and tended to the needs of our clients and the staff. The parents commented how wonderful the selection was and the taste of the product. I would highly recommend Christine and her product to a special event.
