Dear Mr. Becker,

I would like to take this opportunity to thank you for your dedicated service to the Student Government Association at Embry-Riddle Aeronautical University. The Aroma 5500 machine that we ordered from Espresso, Etc. this past fall has been a great success with our student body. We make approximately 7,500 cups of coffee, cappuccino, etc. a month.

The students enjoy having the service and it has become a wonderful feature that we provide in our office. You and your staff are readily available if there is an issue with the machine. Thank you again for your support and time.

Sincerely,

Heather Kenney
