Dear John:

We are coming up on our one year anniversary with the Caffe A-Roma 4500 espresso and gourmet beverage bar. The enthusiasm for the machine has been the same since that first day we brought it in. Our members have enjoyed the various drinks produced by your machine. Now, rather than stop by the donut shop or Starbucks, they actually will come early, or stay after mass, and enjoy the espresso drinks for the adults, and hot chocolate for the kids. This meets our goal of having our members stay at the church longer and spend time with each other to develop that community feeling.

Furthermore, everyone is more than happy to make a \$1.00 donation to help offset the cost and raise funds for the church. In short, we are very pleased with our decision last October to purchase the Caffe A-Roma 4500. Thank you for introducing us to it!

Sincerely,

Michael Connaly
