Espresso-Etc! of Wisconsin

Dear Christine,

Thank you so much for bringing the Aroma 5500 to my school this past fall. Parent/Teacher conference days are very stressful for the staff and the gourmet coffee drinks made things so much better. The machine was easy to operate and the variety of drinks was accommodating to everyone. I appreciate all the information you sent me and we hope to be able to rent the machine from you again next year.

Thanks again,
