Christine-

Hello from the New Berlin Public Library! It's been a pleasure having the opportunity to meet and work with you over the last couple weeks. The Specialty Coffee you've donated for our New Berlin Public Library's 2nd birthday celebration and for our subsequent adult library programs has been wonderful. Even Jackie Mitchard, our visiting New York Time bestselling author and Oprah Book Club Writer mentioned having one in a student home she'd like to build for fledgling authors!

The aroma, quality and selection of coffee and ease of use of the machine have been the main compliments I've received about the coffee machine from our patrons.

On behalf of the New Berlin Public Library, thank you for your time and donation!

Sincerely,

Natalie Beacom
