Greetings Christine Gorgas:

We just wanted to drop you a short note thanking you once again for holding a customer appreciation Latte day here at ShapeXpress in Racine on January 13th, 2007. We appreciate too the prompt, courteous, and professional manner in which the event was scheduled, promoted, and carried out. We received 100% positive comments from all of our members and staff who enjoyed the coffee and the pleasure of meeting and talking with you. I certainly hope you will consider coming back again sometime in the future for another "we appreciate you a latte" day. Thanks too for all the literature about your espresso machines and the various lease and buy options. I certainly do hope that perhaps one day we will grow large enough to entertain further exploration of those options for ShapeXpress here in Racine. I also hope that you were able to make some business connections while you were here with us that day. God's blessings to you and your entire family,
