

February 23, 2007

Dear Christine:

Your Aroma 4000 coffee machine was a fabulous addition to our office awards day on February 20, 2007. People enjoyed the variety of the beverages available as well as the ease and speed with which they are dispensed.

You were a pleasure to work with throughout the process.

**On behalf of the entire Racine office of Shorewest Realtors,  
Thank You!**

Sincerely,

Susan Anderson
