To Whom It May Concern:

In December 2006 I was introduced to Colorado Espresso Etc and Brian Adkins at a customer's Employee Vendor Fair. I was so impressed with the service and Brian's professionalism that in March 2007 I hired Colorado Espresso Etc and Brian to attend a customer event with the Sprint NFL truck.

When the event opened customer participation was slow, but as soon as they realized they could get free Espresso and other hot beverages everyone began to filter outside to participate.

In 2007 I hired Colorado Espresso Etc and Brian to participate in several other events. Their participation makes the event unforgettable and allows you time to interact with potential customers as they are waiting for their beverage to be made. This interaction has enabled the Sprint sales team to reach more individuals and make more sales at these events.

I will continue to hire them to participate in as many events as possible in the future.

Sincerely,

Julie Wilson
