

January 23, 2007

On Friday, January 19, 2007, Maritime Savings Bank celebrated the opening of its New Berlin office with a ribbon-cutting ceremony. The morning event included a continental breakfast as well as coffee and gourmet beverages courtesy of Christine Gorgas of Espresso-Etc.

Not only were Christine's beverages delicious, but the variety of fresh-brewed choices lent a sophisticated touch to the gathering. Plus, the fact that I wasn't constantly worry about filling coffee carafes or brewing another pot allowed me to focus my energy on the other details of the day.

Many of those who attended the ribbon-cutting ceremony have complimented me on the coffee bar, and it is without hesitation that I recommend Christine and her product. In fact, I enjoyed working with her so much that I promptly asked her to supply the drinks at our next branch event.
